### Pope-Turner.

Rev. Ira Partin united the hearts and hands of Mr. Joe Pope and Miss Alice Turner at Hiattsville. Both are well known young people and they have many well wishes.

Only fifty cents admission to all parts of the house. Have seats reserved for the Shubert concert. The board is at McRoberts store and there's no extra charge for reserving seats.

To buy a first-class stock of goods requires experience, care and cash. All these were at hand in purchasing Joseph's spring stock, and he is now showing the prettiest and best goods to be found anywhere.

### Barred Plymouths.

I have a fine pen of the above chickens, and will sell eggs at 50 cents per setting of 15. They are medium size, splendid layers and mature early. Leave orders at McRoberts Drug Store. R. W. McRoberts.

### Reception.

The Ladies Aid Society will give a reception in the Christian church this evening at 7:30 to meet Eld. and Mrs. Charles E. Powell. All members of the church, in addition to those of the society, and pastors of other churches are cordially invited to be present.

### Postponed.

On account of the concert Saturday night, the Social Club will not meet until Saturday week, at which time the Philippine question will be discussed. All are cordially invited to meet with the club and an enjoyable evening is assured.

### Pay Your School Tax.

The Garrard Circuit Court has decided that the Lancaster Graded Common School is on a legal basis and that the school tax must be paid and unless paid at once levies and sales will be made. By order of the Board of Trustees. E. W. Harris, Coll'r.

### New Stand.

We are now in our new building, corner Crab Orchard and Campbell streets, better prepared than ever to furnish Flour in exchange for wheat. Farmers, bring on your grain and get a good turnout of flour second in quality to none in the state. POTTS BROS.

### Excellent Paper.

A sample copy of "The White Ribbon," a neat little paper published by the W. C. T. U., has been received at this office. It is chock full of choice reading matter of great interest to lovers of the temperance cause. The subscription price is small and all temperance workers should have a copy.

The Knight of Pythias have secured the Shubert Concert Co., to give one of their superb entertainments at the Court House in Lancaster Saturday night. The Shuberts have a national reputation and give an entertainment worth double the price of admission. It will cost nothing extra to have a good seat reserved. Call at McRoberts Drug Store and see the board.

### Suitable Timber.

There is a general desire among the Garrard democrats for Judge M. J. Hughes to announce for representative, but he hasn't said "yes" yet. There are many who think the republicans wouldn't put up a man if the judge accepts the nomination, knowing the absolute folly in trying to beat him, even with their big republican majority.—Stanford Journal.

### Sentence Reduced.

Acting Governor Worthington has commuted the sentence of Mack Ferrill from life to ten years. Ferrill killed Sam'l Engleman, "Long Sam", at Stanford several years ago. This reduction, together with his "good time" will leave about two more years for Ferrill to serve. The Stanford Journal says the report that Judge Saufley and attorney Sam Owsley recommended the commutation is untrue.

### Court Day.

Everybody and his dog came to town Monday, and it looked as if the day would be a good one, but it turned out to be unusually dull for a March court. There were from 350 to 400 cattle on the market, most of which changed hands privately. Yearling steers and heifers brought from \$12 to \$17, cows \$18 to \$22, a lot of butcher stuff 3c to 3 1/2c, a bunch of yearling heifers \$18. A few hogs sold at 3c. Bowen Fox bought several good mules at from \$50 to \$80. Several plug horses were sold, but they are so slow now that it is not worth while to even quote the prices.

### Walden.

The marriage of Miss Eudoxie Moss and Mr. Eugene Moss was solemnized at the residence of the bride's parents in this city yesterday. The bride is the daughter of Mr. W. B. Moss. She is a young lady of rare beauty and intellect. She is a graduate of Daughters College at Harrodsburg, and also at the Lexington Business College. The groom is a native of Henderson, N. C., but for some time has held a position in Lexington. Immediately after the ceremony, the couple left for Lexington, where they will reside. THE RECORD extends congratulations to the happy pair.

### Sawyer's Time Reduced.

Gov. Worthington has reduced the sentence of Sawyer, who killed Bob Burnside. A strong fight has been made for Sawyer ever since he killed Burnside at Harboursville several years ago.

### Handsome Work.

Architect Jas. R. Ryan has made plans of several dwellings for Lancaster people, and the work has been highly praised by all who have seen it. His drawings made for H. M. Ballou, Cable Denny, A. H. Rice and others have been much admired and the parties having it done are congratulating themselves on securing him. Mr. Ryan's son, Richard, is an artist of great skill and two cleverer gentlemen could not be found.

### Not Much Talk.

"I don't hear much talk" on politics here. What's the matter?" asked a visitor of a Lancaster man Monday. "Its because nearly everybody has gone to work," replied the citizen, "and they have no time to talk. Of course there are a few fellows talking, who have no other occupation, but most of our people have found that bread and meat cannot be earned by sitting on a goods box and talking politics."

### They Like Him.

The many compliments we have heard passed upon Hon. R. C. Warren, convinces us further that he has a strong hold on the Garrard county people's friendship and they are for him for anything he wants. During the term of court he has just held here lawyers, jurors and litigants alike were loud in their praise of his fair, prompt and quick decisions on questions presented. We have never known a judge to give better satisfaction than has Judge Warren.

### Speaking Monday.

Hon. C. C. McChord, candidate for democratic nomination for Railroad Commissioner, addressed a big crowd at the Court House Monday, and, we learn, added many new friends to his already long list in Garrard. Mr. McChord honored THE RECORD office with a call and we found him to be a gentleman well versed on questions of the day and very confident of his nomination. He has much faith in building of the Southern road from Burgin to Middlesboro and said the plan was quite plausible.

### To the North.

The Queen and Crescent Route has inaugurated a service of observation cars on the famous Blue Grass Vestibule between Cincinnati and Lexington. Free Parlor cars and Queen and Crescent Standard Vestibule day coaches. 4 trains daily to Cincinnati with close connection with all trains north.

Queen and Crescent trains are without a peer in the South. 17 miles shortest line, unequalled train service. W. C. Rinearson, General Passenger Agent.

### Will Name a Date.

Secretary Farra, of the Commercial Club has received a letter from Mr. Spencer, president of the Southern, saying he would be absent from New York for several days, but would write him within the next three weeks and name a date to receive the committee from here and other towns along the proposed route. The committee will be composed of business men from each county, one's who can talk business and lay the matter before the officials in its true light. The Garrard county club is meeting with much encouragement, but, as was expected, a few will kick on the road.

### Convention Call.

Pursuant to a call of the Democratic State Central Committee, a convention will be held at each voting precinct in Garrard county, on Saturday, April 1, 1899, at 2 o'clock, p. m., to elect delegates to attend the County Convention to be held in Lancaster, on the 3rd day of April 1899. Each precinct shall be entitled to one delegate for each two hundred votes and fraction thereof over one hundred votes cast for democratic electors for President at the November election in 1896.

This call is for counties in 2nd Railroad Commissioners District, and the delegates elected at the county convention are to cast the vote of the county at the convention to be held in Frankfort, April 6, 1899.

GEO. T. FARRIS, Chm.

LETCHER OWLSLEY, Sec'y.

### Walden.

The friends of Eld. and Mrs. Wm. Walden deeply sympathize with them in the loss of their eighteen-months old baby, Mary Brewer. The parents had been visiting Mrs. Walden's mother, near Harrodsburg for several days, when the baby was taken ill of pneumonia. All that medical skill could do was done to relieve the little sufferer, but she expired at an early hour Thursday morning. The remains were brought to Lancaster and interred Saturday morning, services being conducted at the grave by Eld. Chas. Powell. The grief-stricken parents have much sympathy in their bereavement.

Mr. Joe F. Waters succeeds in adding many names to the list of members of the Endowment Rank Knights of Pythias. This insurance is safe and cheap. The K. P.'s are among the strongest orders in America and the insurance branch is managed by experienced business men. The Lancaster Rank now numbers about forty.

### Crutchfield-Boulden.

The Lexington Herald of Tuesday, says Mrs. Maggie Boulden, daughter of Col. John W. Poor, of Garrard county, was married in that city to Mr. John H. Crutchfield. The bride was the widow of Hon. Chas. M. Boulden, who was one of the most prominent and popular men in Garrard county. The groom was engaged in the dry goods business in Lexington, but retired several years ago.

### Trusted Servant Dead.

Lucinda Anderson, who has been cooking for Mr. and Mrs. Robt. L. Elkin for nearly ten years, died at their residence Friday. Mrs. Elkin tells us the woman was so obliging and attentive about her work that the entire family had become attached to her. The matter of securing honest, faithful servants has become a difficult task and when one is secured it is hard to have to part with them.

### Ten Years Old.

Ten years ago THE RECORD made its first appearance in Lancaster. It was edited by the lamented James R. Mays until 1885, when the present publisher took hold of the throttle with an inexperienced hand and no extra fuel in the tender to help pull the steep hill before us. During these four years we have made a long pull, a strong pull and an unrelenting pull to keep steam up, and next Saturday will reach the fourth mile post not much better off so far as "fuel" is concerned, but with a fair supply of experience and a firmer determination to yet catch even and run on schedule time. We heartily appreciate the manner in which our subscribers have stuck to us, but feel that we have fallen short in giving them value received for their kind patronage. With a big debt hanging over us, and an enormous weekly expense account, the clouds of despondency have frequently gathered, but believing, as we do, that all things come to him who hustles, we spat upon our greasy, lanky hands, took fresh hold and were soon too busy to brood over kicking creditors, delinquent subscribers, etc.

We desire to thank our patrons, separately and collectively, for their kindnesses, and promise to strive more diligently in the future to merit their support by giving them a strictly home paper, full of home news and pulling at all times for the advancement of home enterprises.

Book your order for an Easter box of Bell's choice cut flowers, with Ed. C. Gaines, Agent.

A large lot of Collars, Pads, Hames, Trace-chains and wagon breeching, going cheap. J. R. Haselden.

### A Great Success.

I have had my cistern cleaned with the Automatic Cistern Cleaner, owned by Austin and Hatcher and it gives perfect satisfaction. Jacob Joseph.

I am well pleased with the work done by the Automatic Cistern Cleaner. It's a great success. Jno. M. Duncan.

The Automatic Cistern Cleaner does its work to perfection. It removes all dirt and leaves the water as clear as crystal. My cistern is now as clear as if all water had been removed and it had been cleaned in the old fashion way. H. A. B. Marksburg.

R. E. Henry has charge of the machine and will attend properly to all orders. See him or leave word at THE RECORD office.

### Colored Recruits.

The War Department has wired Lt. W. T. Johnston, recruiting officer at Lexington, Ky., to enlist colored applicants for Cavalry and Infantry service, sending the former to Fort Grant, Arizona, and the latter to Fort Douglas, Salt Lake City. This is an excellent opportunity for young colored men to get into the regular Army. Recruit for white Infantry and Cavalry regiments are also wanted. Apply to LIEUT. W. T. JOHNSTON. 1-10-11 Main St. Lexington, Ky.
